

‘Mix and Match’ To Restore Your Skin & Spirit This Holiday Season

Mix and match 3 or more skin treatments and save 20% or try 1 treatment and get 10% off

Get results from local Anti-Aging expert, Dr. Tacita Robertson ND, FAARM :

Vi Peel – Helps treat aging skin, active acne, scarring, melasma, sun damage, keratosis pilaris. Amazing for the face or back.

Micro-needling (skin pen) – Naturally reverses fine lines, improves acne, treats scars, builds collagen, and evens out skin tone. A must for all skin types and age ranges.

Micro-needling with PRP – The deluxe facial that combines the power of your own growth factors with the amazing rejuvenation of skinpen. Truly transformative!

- Complimentary skin consultation and product recommendation with each purchase.
- Mix and Match specials must be purchased and paid for by December 17th, 2020.
- Treatments are to be used by February 28th, 2021 or will transfer into credit for other services or product at IHC.
